EVENT REPORT

Date: 09/03/2020

Subject: Post-Event Report on "**Antibacterial Pharmacology**".

Respected sir,

I am pleased to inform you that the seminar on "**Antibacterial Pharmacology** " conducted on **07/03/2020**, was a resounding success. The event witnessed enthusiastic participation from both students and faculty members.

We had the privilege of hosting two eminent speakers from the industry and academia who shared their invaluable insights into the application of "**Antibacterial Pharmacology**". Their presentations were well-received, and the interactive sessions provided participants with an opportunity to engage in meaningful discussions.

Feedback from attendees has been overwhelmingly positive, with many expressing their appreciation for the knowledge gained through the seminar. This event has undoubtedly enriched the academic environment of our department and has inspired students to explore new avenues in pharmaceutical technology.

I would like to extend my gratitude for your support in making this seminar possible. We look forward to organizing more such events in the future to continue enhancing the learning experience for our students.

Dear All,

We are pleased to announce that a seminar on "**Analytical Techniques in Pharmaceutical Quality Control**" will be conducted by the Department of chemistry. This event is a valuable opportunity for both students and faculty to gain in-depth knowledge of the analytical methods essential for maintaining pharmaceutical quality.

Details of the Seminar:

- **Date:** 27/12/2019
- **Time:** 2.00 pm -4.00pm
- **Venue:** SSIP Seminar Hall
- **Guest Speaker:** Dr.P.Balan, M pharm, ph.D, & Dr.A.Sumathi, Mpharm, ph.D

The seminar will cover:

- Advanced analytical techniques and their applications in pharmaceutical quality control.
- Practical demonstrations and case studies.
- Recent advancements in the field.

All students and faculty members are encouraged to attend and participate actively in this enriching experience. Your presence and engagement will contribute significantly to the success of this seminar.

EVENT REPORT

DATE: 31/12/2019

Subject: Report on the Seminar "**Pharmaceutical Chemistry: Analytical Techniques in Pharmaceutical Quality Control**".

Respected sir,

I am pleased to inform you that the seminar on "**Pharmaceutical Chemistry: Analytical Techniques in Pharmaceutical Quality Control**" conducted on 27/12/2019 was a resounding success. The event witnessed enthusiastic participation from both students and faculty members. We had the privilege of hosting two eminent speakers from the industry and academia who shared their invaluable insights into the application of "**Pharmaceutical Chemistry: Analytical Techniques in Pharmaceutical Quality Control**". Their presentations were well-received, and the interactive sessions provided participants with an opportunity to engage in meaningful discussions. Feedback from attendees has been overwhelmingly positive, with many expressing their appreciation for the knowledge gained through the seminar. This event has undoubtedly enriched the academic environment of our department and has inspired students to explore new avenues in pharmaceutical technology.

I would like to extend my gratitude for your support in making this seminar possible. We look forward to organizing more such events in the future to continue enhancing the learning experience for our students.

Date:19/11/2019

Dear all,

We are pleased to announce that the Department of **Pharmacology** will be hosting a seminar on “**Nanotechnology in Drug Discovery**” on **30/11/2019** at **10.00 am** in **SSIP SeminarHall**. This seminar will explore the revolutionary role of nanotechnology in the discovery and development of new drugs, offering insights into how nanoscale materials can be used to improve drug delivery, efficacy, and safety.

The seminar will feature distinguished speakers who are leading experts in the field of nanotechnology and Pharmacology. It is an excellent opportunity for students and faculty to enhance their knowledge and engage in discussions on this cutting-edge topic. All students, faculty members, and interested parties are encouraged to attend.

EVENT REPORT

DATE: 21/10/2019

Subject: Post-Event Report on Workshop on "Sustainable Harvesting and Conservation of Medicinal Plants".

Respected sir,

I am pleased to submit the post-event report on the workshop titled "Sustainable Harvesting and Conservation of Medicinal Plants," which was successfully conducted on 18/10/2019 in the Department of Pharmacognosy.

The event featured insightful presentations by Mrs. M. Vasuki & Ms. M. Muthuselvi, renowned experts in the field, including , who shared their knowledge on sustainable harvesting techniques, the importance of conservation, and the challenges faced in the field.

The interactive sessions provided an opportunity for participants to engage in meaningful discussions, exchange ideas, and explore collaborative opportunities. The feedback received from the participants was overwhelmingly positive, with many expressing their appreciation for the relevance and timeliness of the topic. I would like to extend my gratitude to you for your support in making this event possible. I also appreciate the efforts of the organizing committee, volunteers, and participants who contributed to the success of this workshop.

“ 3D Printing in Pharmaceutical Manufacturing”

Respected sir,

We are writing to seek your approval for a seminar titled "**3D Printing in Pharmaceutical Manufacturing**," organized by the Department of **Pharmaceutics**. The seminar is scheduled for **16/08/2019** from **09:00 am to 01:00 pm** in **SSIP Seminar Hall**. The primary goal of this seminar is to explore the impact of 3D printing technology on pharmaceutical manufacturing. I kindly request your approval to proceed with the seminar arrangements and your support will be crucial in ensuring the success of this event.

Thanking you,

Yours sincerely,

Mrs.Bhuvaneshwari

DATE :12/08/2019

Dear all,

I am pleased to announce that the Department of **Pharmaceutics** will be hosting a seminar on **"3D Printing in Pharmaceutical Manufacturing"** on **16/08/2019** from **09:00 am to 01:00pm** in SSIP seminar hall. This seminar aims to provide an in-depth exploration of 3D printing technology and its impact on the pharmaceutical industry.

The event will feature distinguished speakers, who will cover key topics such as technological innovations, regulatory issues, and future directions.

We encourage all faculty, students, and staff to attend this informative event. Your participation will contribute to the success of the seminar and provide valuable insights into this rapidly evolving field.

Dear All,

We are pleased to inform you that the Department of Chemistry will be hosting a Workshop titled "**Advanced Drug Delivery Systems: Innovations and Applications**" on **22/06/2019** from **11:00am to 01:00pm** in **SSIP Workshop Hall**.

The workshop will be presented by **Dr.S.Senthilkumar & Dr.Alvin Jose**, an esteemed expert in the field of pharmaceutical chemistry. This event aims to explore the latest advancements in drug delivery technologies, including:

- Nanoparticle-Based Delivery Systems
- Liposome and Hydrogel Technologies
- Applications in Personalized Medicine

The workshop is designed to enhance the knowledge and practical understanding of our students, providing them with valuable insights into cutting-edge technologies that are shaping the future of pharmaceutical sciences.

All students and faculty members are encouraged to attend this workshop to gain knowledge and engage in discussions on this important topic.
