"Pharmaceutical Quality byDesign"

Respected Sir,

I am writing to seek your approval and support for conducting a webinar titled **"Pharmaceutical Quality by Design (QbD)"** in the Department of **Pharmaceutics**. The webinar is scheduled to be held on **25/06/2022** in the **SSIP seminarhall**. We kindly request your approval to organize this webinar and seek your support in terms of logistical arrangements and funding, if possible. Your encouragement and assistance will greatly contribute to the success of this event.

Thanking you,

Yours sincerely,

Mrs.M.Gomathi

Dear All,

It is hereby informed that the Department of **Pharmaceutics** is organizing a webinar on the topic "**Pharmaceutical Quality by Design (QbD)**" for the academic enrichment of our students and faculty members. The webinar aims to provide an in-depth understanding of QbD, a modern approach to pharmaceutical development that ensures the built-in quality of products from the design phase.

All students and faculty members from the Department of Pharmaceutics, as well as those from other related departments, are encouraged to participate actively in this webinar. This will be an excellent opportunity to enhance your knowledge and skills in this critical area of pharmaceutics.

EVENT REPORT

DATE:27/06/2022

Subject:Post-Event Report on Webinar: “Pharmaceutical Quality by Design”.

Respected sir,

I am pleased to inform you that the webinar on “Pharmaceutical Quality by Design” conducted on **25/06/2022**, was a resounding success. The event witnessed enthusiastic participation from both students and faculty members.

We had the privilege of hosting two eminent speakers from the industry and academia who shared their invaluable insights into the application of “Pharmaceutical Quality by Design”. Their presentations were well-received, and the interactive sessions provided participants with an opportunity to engage in meaningful discussions.

Feedback from attendees has been overwhelmingly positive, with many expressing their appreciation for the knowledge gained through the webinar. This event has undoubtedly enriched the academic environment of our department and has inspired students to explore new avenues in pharmaceutical technology.

I would like to extend my gratitude for your support in making this webinar possible. We look forward to organizing more such events in the future to continue enhancing the learning experience for our students.

Dear All,

We are pleased to announce that the **Department of Chemistry** will be hosting a workshop titled "**Chemistry of Food and Flavor**" on **28/05/2022** at **SSIP Workshop** starting at **10.00 am**. This event is organized to provide an in-depth understanding of the chemical principles behind food flavors and their applications.

The workshop will feature presentations from esteemed experts in the field of food chemistry who will share their insights on the latest research and technological advancements. This is an excellent opportunity for all students and faculty members to gain valuable knowledge and engage in discussions related to the chemistry of flavors.

We encourage all students and faculty to attend this workshop to enhance their understanding and appreciation of food chemistry. Your active participation will contribute to the success of this academy.

EVENT REPORT

DATE :18/04/2024

Subject:Post-Event Report on "Drug Development: Current Trends and Future Prospects".

Respected sir,

Overview:

The Department of Pharmacology successfully organized a workshop on "Drug Development: Current Trends and Future Prospects" on 16/04/2022 at SSIP Seminar hall.

The workshop was attended by our students, faculty members. The event featured insightful presentations and interactive sessions with experts from both academia and the pharmaceutical industry.

The workshop on "Drug Development: Current Trends and Future Prospects" was a resounding success, achieving its objective of enhancing the knowledge and awareness of students in the field of pharmacology. We extend our sincere thanks to the speakers, participants, and all those who contributed to making this event a success.

EVENT REPORT

DATE :21/03/2022

Subject: Post event report for Intercollege Seminar Workshop on “**Ecopharmacognosy– A Philosophical Approach**”.

Respected sir,

The intercollege seminar workshop on “**Ecopharmacognosy**”, exploring its philosophical aspects, was successfully held on **18/03/2022** at **10.00 am** in **SSIP Seminar Hall**.

The event was well-received, and we received positive feedback from participants. We believe that this workshop has contributed to a deeper understanding of Ecopharmacognosy's philosophical dimensions.

The seminar was a resounding success, fostering a philosophical understanding of Ecopharmacognosy. We appreciate the support from the college administration and look forward to organizing more such events.

Dear All,

I am pleased to announce that the Department of Chemistry will be hosting a workshop titled **“Chemistry Behind Water Purification Technologies”** on **18/12/2021** at **10.00 am** in **SSIP Seminar Hall**.

This workshop is organized by the Department of Chemistry with the aim of exploring the chemical principles and technologies behind water purification methods. It will provide an in-depth understanding of various purification techniques including filtration, chemical treatments, and innovative technologies. We propose to hold this workshop on **18/12/2021**, from **10.00 AM** at **Class room**. The workshop will feature presentations from faculty members and experts in the field. We encourage all students and faculty members to attend and engage in discussions about the critical role of chemistry in improving water quality and sustainability. Attendance is highly encouraged for all chemistry students and faculty. Your participation will contribute to a richer learning experience and foster a greater understanding of this vital topic.

EVENT REPORT

DATE:21/12/2021

Subject: Post-Event Report on the workshop "**Chemistry Behind Water Purification Technologies**".

Respected Sir,

I am pleased to submit the post-event report on the workshop titled "**Chemistry Behind Water Purification Technologies**", which was successfully conducted on **18/12/2021** in the Department of **Chemistry**.

The discussion covered various water purification technologies, including chemical methods, filtration techniques, and the latest advancements in the field. The session was highly interactive, with students engaging in discussions and posing questions to the speaker.

The workshop was a great success, fulfilling its objective of enhancing the knowledge and skills of our students in the area of water purification. I would like to extend my gratitude to the college administration for their support in organizing this event.

Dear all,

This is to inform all faculty members and students of the Department of **Pharmacology** that a seminar on "**Artificial Intelligence in Pharmacology**" will be conducted on **26/11/2021** at **SSIP Seminar Hall** from **10.00 am** to **1.00 pm**. The seminar aims to delve into the role of AI in the field of pharmacology, focusing on its application in drug discovery, development, and personalized medicine.

We have invited esteemed speakers from renowned institutions and industries to share their expertise and experiences. This seminar is a valuable opportunity for both students and faculty to gain insights into the latest trends and advancements in pharmacology facilitated by AI. Faculty members are encouraged to participate actively in the discussions. We look forward to your active participation.

EVENT REPORT

DATE : 02/11/2021

Subject: Post-Event Report on the Seminar on “Standardization of Herbal Drugs”.

Respected Sir,

I am pleased to inform you that the seminar on the “Standardization of Herbal Drugs” was successfully conducted on **30/10/2021** as planned. The event was well-attended, with 150 participants, including students and faculty members from various departments. Our keynote speaker, **DR.R.Ravikumar & Dr.C.S.Kandasamy** Department of Pharmacognosy delivered an insightful lecture on the importance of standardization in herbal medicine, covering topics such as quality control, regulatory frameworks, and modern analytical techniques. The interactive session that followed was highly engaging, with numerous questions and discussions from the participants.

The seminar received positive feedback from both students and faculty, with many expressing their appreciation for the opportunity to gain deeper insights into this important subject. We believe that the seminar has greatly contributed to the academic and professional development of our participants.

I would like to extend my gratitude to you for your support in organizing this event. We look forward to organizing similar events in the future to continue enriching the academic environment of our college.

Date: 04/10/2021

Dear All,

We inform all faculty members and students that the **Department of Pharmaceutics** will be hosting a webinar on "**Green Chemistry Approaches in Pharmaceutical Formulation**" on **08/10/2021 at 10.00AM** in **SSIP seminar Hall**.

Webinar Highlights:

- Introduction to green chemistry principles in pharmaceutical formulation.
- Sustainable practices and materials in drug formulation.
- Case studies on the implementation of green chemistry in the pharmaceutical industry.

Attendance is mandatory for all students of the Department of Pharmaceutics, and faculty members are encouraged to participate.

EVENT REPORT

Date : 12/10/2021

Subject: Post-Webinar Report on "Green Chemistry Approaches in Pharmaceutical Formulation".

Respected Sir,

We are pleased to provide a report on the webinar titled on "**Green Chemistry Approaches in Pharmaceutical Formulation**" on **08/10/2021**. The webinar aimed to promote the adoption of environmentally friendly practices in pharmaceutical formulation, adhering to the principles of green chemistry.

Feedback from attendees has been overwhelmingly positive, with many expressing their appreciation for the knowledge gained through the webinar. This event has undoubtedly enriched the academic environment of our department and has inspired students to explore new avenues in pharmaceutical technology.

I would like to extend my gratitude for your support in making this webinar possible. We look forward to organizing more such events in the future to continue enhancing the learning experience for our students.

Subject: Request for Approval to Conduct webinar on

“Biomimetic Chemistry : Inspiration From Nature For Chemical Innovation”

Respected sir,

I am writing to seek your approval to organize a webinar titled "**Biomimetic Chemistry: Inspiration from Nature for Chemical Innovation**" under the Department of **Chemistry**. The proposed date for the webinar is **27/08/2021**, which will cover honorariums for speakers, webinar materials, and refreshments. I kindly request your approval and support for this event. We look forward to your positive response.

Thanking you,

Yours sincerely,

B.Anitha,

CIRCULAR

Date:23/08/2021

Dear all,

It is hereby informed that the Department of **Chemistry** will be organizing a webinar on **"Biomimetic Chemistry: Inspiration from Nature for Chemical Innovation"** on **27/08/2021**. The webinar will delve into the fascinating world of biomimetic chemistry, exploring how nature's processes and structures inspire cutting-edge chemical innovations.

The webinar will feature expert speakers from various fields, providing valuable insights into the applications and future prospects of biomimetic approaches in chemistry. All students and faculty members are encouraged to participate in this intellectually enriching event.

Attendance is mandatory for all students of the Department of Chemistry. Faculty members are requested to assist in coordinating the event and ensure its smooth execution.

EVENT REPORT

Date:30/08/2021

Subject: Post-Event Report on Seminar "**Biomimetic Chemistry: Inspiration from Nature for Chemical Innovation**".

Respected sir,

I am pleased to submit the post-event report for the webinar titled "**Biomimetic Chemistry: Inspiration from Nature for Chemical Innovation**," which was successfully conducted on **27/08/2021** at **SSIP Seminar Hall**. The seminar was attended by more participants, including students, faculty members, and invited guests.

The event featured distinguished speakers, including **K.Keerthika** and **Mr.M.Sangamaheshwaran** who shared their insights on the latest developments and applications of biomimetic chemistry. The presentations were well-received, and the interactive sessions provided an excellent platform for knowledge exchange.

The feedback from the participants was overwhelmingly positive, with many expressing appreciation for the depth of knowledge shared and the relevance of the topic to current scientific challenges. The webinar not only enhanced the understanding of biomimetic chemistry among attendees but also inspired new ideas for research and innovation within our department. I would like to extend my gratitude to you for your support and approval, which was instrumental in the successful execution of this webinar. I also wish to thank the organizing committee, faculty members, and students who contributed to making this event a success.
