CIRCULAR

DATE:22/05/2024

Dear All,

We are pleased to announce a webinar on the "**Pharmacokinetics and Pharmacodynamics of Anticancer Drugs**" organized by the **Department of Pharmacology**. This webinar will provide an in-depth exploration of how anticancer drugs interact within the body and their impact on cancer treatment efficacy and safety.

The webinar will feature presentations by leading experts in the field, followed by interactive discussions. It is an excellent opportunity for all students, faculty, and researchers to gain insights into cutting-edge research and advancements in oncology pharmacology.

We encourage everyone to attend and participate actively in this academic event. Your presence and engagement will contribute to the success of the webinar and enhance our collective knowledge in this critical area of research.

EVENT REPORT

DATE: 03/06/2024

Subject: Post Event Report on webinar Conducted about “**Pharmacokinetics and Pharmacodynamics of Anticancer Drugs**” in the Department of Pharmacology.

A webinar on “**Pharmacokinetics and Pharmacodynamics of Anticancer Drugs**” was successfully conducted by the **Department of Pharmacology** on **31/05/2024**. The objective of the webinar was to provide a comprehensive understanding of the pharmacokinetic and pharmacodynamic principles specifically related to anticancer drugs, which are critical for both research and clinical practice in oncology.

Postwebinarfeedback was collected from the participants. The overall response was positive, with attendees appreciating the relevance of the topics covered and the expertise of the speakers. Suggestions were made for future webinars to include hands-on workshops and case studies to further enhance practical knowledge.

The webinar on “**Pharmacokinetics and Pharmacodynamics of Anticancer Drugs**” was a resounding success. It provided a platform for knowledge exchange between academia and industry, fostering collaborations that could lead to advancements in cancer treatment. The Department of Pharmacology looks forward to organizing more such events in the future to continue contributing to the field of pharmacology.

DATE : 29/04/2024

Subject: Post Event Report on

Respected sir,

The **Department of Pharmaceutics** successfully conducted a seminar on “ **Pharmacy Carrer Guidance**” on **26/04/2024**. The seminar was well-attended, with participation from students, faculty members, and invited guests. The event commenced with a welcome address by **Mrs.C.Kalaiselvi**, followed by an introduction to the seminar's theme. The first session featured a talk by **Mr.Sonny Akkara and Mrs.P.Renuka** who provided an overview of solid dispersion techniques and their applications in enhancing drug solubility.

The seminar concluded with an interactive Q&A session, where participants engaged with the speakers, deepening their understanding of the topic. The event received positive feedback from attendees, who appreciated the depth and relevance of the content presented. We believe that this seminar has significantly contributed to the knowledge base of our students and has sparked interest in further research on drug solubility enhancement techniques. We extend our gratitude to the speakers, attendees, and the organizing team for making this event a success.

Date:26/03/2024

Dear all,

We are pleased to announce a workshop titled "The **Role of Medicinal Chemistry in Drug Development**," which will be conducted by the Department of Chemistry. The workshop is scheduled to take place on **30/03/2024** at **10.00 am to 01.00 pmin SSIP seminar hall**.

This workshop aims to provide an in-depth understanding of the impact of medicinal chemistry on drug development and its relevance in contemporary pharmaceutical research. We encourage all students, faculty members, and interested staff to attend and benefit from this informative session.

EVENT REPORT

DATE: 02/04/2024

Subject: Report on the Workshop "**Green Chemistry in Pharmaceutical Manufacturing: Principle and Practice**".

Respected sir,

We are pleased to report on the successful organization and execution of the workshop titled "**Green Chemistry in Pharmaceutical Manufacturing: Principle and Practice**" held on [30/03/2024] by the **Chemistry** Department. The workshop was aimed at providing insights into sustainable practices in pharmaceutical manufacturing, emphasizing the importance of green chemistry principles in the industry.

The workshop on "**Green Chemistry in Pharmaceutical Manufacturing: Principle and Practice**" was a significant step towards promoting sustainable practices in our academic and professional community. I recommend that similar events be organized in the future to continue this important dialogue.

Thank you for your continued support in our efforts to provide quality education and promote sustainability. I would like to extend my gratitude to the organizing committee, guest speakers, faculty members, and students who contributed to the success of this workshop.

Dear All,

We are pleased to invite you to a webinar organized by the Department of Pharmacology on "Pharmacogenomics and Personalized Medicine". The webinar will be held on **03/02/2024** at **10.00 am** in **SSIP class Room**.

Objectives:

- To delve into the role of pharmacogenomics in tailoring personalized medicine.
- To review recent developments in genetic-based drug therapy.
- To facilitate discussions on integrating pharmacogenomics into clinical practice.

We encourage all interested individuals to attend and participate in this important discussion. Your engagement will contribute to advancing our understanding of pharmacogenomics and its applications.

EVENT REPORT

DATE: 08/01/2023

Subject: Post-Event Report on the Workshop "**Role of Ethnobotany in Drug Discovery**".

Respected Sir,

I am pleased to report the successful completion of the workshop on "**Role of Ethnobotany in Drug Discovery**" organized by the Department of **Pharmacognosy** on **05/01/2024**. The workshop attracted a significant number of participants, including faculty members, researchers, and students, all of whom engaged actively in the discussions.

The sessions were insightful and well-received, with distinguished speakers sharing their expertise on various aspects of ethno botany and its application in drug discovery. The event provided valuable learning opportunities for all attendees and set the stage for potential research collaborations within the department.

Feedback from participants was overwhelmingly positive, with many expressing their appreciation for the quality and relevance of the content presented. Some suggestions for future events included the incorporation of more interactive elements, such as workshops or hands-on sessions.

I would like to extend my gratitude to you for your continuous support and encouragement in organizing such academic events. I also thank the organizing committee, the technical staff, and all participants for their contributions to the success of the workshop.

We look forward to organizing more such events in the future to further enhance the academic and research capabilities of our department.

Dear all,

It is hereby notified to all students and faculty members of the Department of **Pharmaceutics** that a Webinar on "**Smart Drug Delivery Systems**" will be held on **10/11/2023** at **11.00 am** in the college auditorium.

The Webinar will cover the latest advancements, challenges, and future perspectives in the field of smart drug delivery systems. This Webinar is an excellent opportunity for students and faculty to gain insights into cutting-edge research and innovations that are shaping the future of drug delivery technologies.

EVENT REPORT

DATE:14/11/2023

Subject:Post-Event Report on“**Smart Drug Delivery System Webinar**”.

Respected sir,

I am pleased to inform you that the Webinar on "**Smart Drug Delivery System Webinar**" conducted on**10/11/2023**, was a resounding success. The event witnessed enthusiastic participation from both students and faculty members.

We had the privilege of hosting two eminent speakers from the industry and academia who shared their invaluable insights into the application of“**Smart Drug Delivery System Webinar**”. Their presentations were well-received, and the interactive sessions provided participants with an opportunity to engage in meaningful discussions.

Feedback from attendees has been overwhelmingly positive, with many expressing their appreciation for the knowledge gained through the Webinar. This event has undoubtedly enriched the academic environment of our department and has inspired students to explore new avenues in pharmaceutical technology.

I would like to extend my gratitude for your support in making this Webinar possible. We look forward to organizing more such events in the future to continue enhancing the learning experience for our students.

EVENT REPORT

DATE:25/10/2023

Subject: Post-Event Report: Workshop on "Medicinal Plants for Covid-19 Treatment".

Respected sir,

I am pleased to submit the post-event report for the workshop on "**Medicinal Plants for COVID-19 Treatment**," which was successfully conducted on **21/10/2023** in the **SSIP seminar hall**. The workshop was attended by **230** participants, including students and faculty members from the **Department of Chemistry**. Our distinguished guest speaker, delivered an insightful lecture on the role of medicinal plants in the treatment and prevention of COVID-19. The presentation covered the latest research findings, traditional uses of various plants, and the potential for future studies in this area.

The workshop concluded with an interactive session where participants engaged in a lively discussion with **Dr.C.Jothimanivannan**, asking questions and sharing their thoughts on the subject. The feedback from the attendees was overwhelmingly positive, with many expressing a deeper interest in exploring this field further.

I believe that the workshop was a great success and achieved its objective of enhancing the knowledge and understanding of medicinal plants in the context of COVID-19 among our students and faculty.
