Sankari- 637301.

Subject: Request for Approval to Conduct an Awareness Program on "Healthy Pregnancy Campaign".

Respected Sir,

We are writing to seek your approval to conduct an awareness program on "Healthy Pregnancy Campaign" targeting our college students and the nearby hospitals. The purpose of this program is to educate and inform participants about the essential aspects of healthy pregnancy, including proper nutrition, prenatal care, and the importance of regular medical check-ups. The campaign will feature talks by healthcare professionals, distribution of informative materials, and interactive sessions to address the concerns and queries of the participants. This program will not only benefit our students but also extend its impact to the community by involving nearby hospitals. We propose to conduct this event on 22.06.2022 in the college auditorium. Your approval and support will be greatly appreciated.

Thanking you,

Yours sincerely,
Program Coordinator,
SS institute of pharmacy.

Subject: Awareness Program on "Healthy Pregnancy Campaign".

Dear All,

This is to inform all students and staff that an awareness program on "**Healthy Pregnancy Campaign**" will be conducted on 21.06.2022 at Kidaiyur primary health care centre. The program aims to educate participants on the essential aspects of a healthy pregnancy, including the importance of nutrition, prenatal care, and regular check-ups. This event will also involve healthcare professionals from nearby hospitals who will provide valuable insights and answer any questions related to pregnancy and maternal health. All students are encouraged to attend and participate actively in this informative session. We believe that this campaign will greatly benefit not only our students but also the broader community.

EVENT REPORT

Date: 23.06.2022

Subject: Report on "Healthy Pregnancy Campaign".

Respected sir,

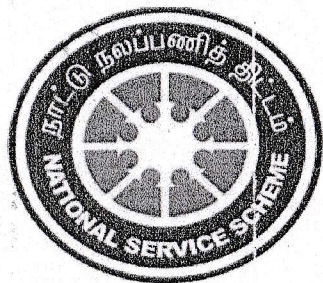

We are pleased to report the successful completion of the awareness program on "Healthy Pregnancy Campaign," which was held on 21.06.2022 at Kidaiyur Primary health care centre. The event was well-received by both our college students and the participants from nearby hospitals. The program included informative sessions by healthcare professionals, interactive discussions, and the distribution of educational materials. A total of 22 students and 30 participants from the nearby hospitals attended the event. The feedback received was overwhelmingly positive, with participants expressing increased awareness and understanding of the key aspects of healthy pregnancy.

Beneficiaries:

Beneficiaries of this program include the college students and expectant mothers from the local community who attended, as well as the healthcare professionals who contributed their expertise.

Dear All,

Subject: Conducting Awareness Program on “Free Eye Check-up”.

We are pleased to announce that **SSIP** will be hosting a “ **Free Eye Check-up Camp**” on 07.06.2022 from **10.00AM to 3.00PM** at Vadugapatti Primary Health Care Centre. This initiative is part of our commitment to enhancing the health and well-being of our students and the local community.

Program Highlights:

- **Free Eye Examinations:** Qualified ophthalmologists will be present to conduct thorough eye check-ups.
- **Educational Sessions:** Learn about eye health, common vision problems, and preventive measures.
- **Informational Pamphlets:** Handouts will be available to provide additional guidance on maintaining good eye health.

Participation:

- All students are encouraged to participate and take advantage of this opportunity.
- Residents of the nearby village are also invited to attend and benefit from this free service.

We hope this program will contribute positively to your health and well-being. Please make every effort to attend and spread the word among your peers and community members.

EVENT REPORT

Date: 09.06.2022

Respected Sir,

Subject: Report on “Free Eye Check-Up Camp” in Vadugapatti Primary Health Care Centre.

I am pleased to submit the post-event report for the “Free Eye Check-Up Camp” that was conducted on 07.06.2022 in Vadugapatti Primary Health Care Centre. The event was organized with the aim of providing essential eye care services to the residents of the nearby village and raising awareness about eye health.

Event Overview:

- **Event Name:** Free Eye Check-Up Camp
- **Date:** 07.06.2022
- **Time:** 10.00AM – 3.00PM
- **Venue:** Vadugapatti Primary Health Care Centre.

Objectives:

- To offer free eye examinations to the villagers.
- To educate the community about common eye health issues and preventive measures.
- To provide informational pamphlets and resources on eye care.

Attendance and Beneficiaries:

- **Total Beneficiaries:** 50
- **Village Residents Benefited:** 25

Activities Conducted:

1. **Eye Examinations:** Qualified ophthalmologists conducted thorough eye exams for the villagers. Each participant received an eye health assessment, and those with identified issues were given recommendations for follow-up care.
 2. **Educational Sessions:** Informative sessions were held, covering topics such as common eye diseases, the importance of regular eye check-ups, and preventive eye care practices.
 3. **Distribution of Pamphlets:** A total of 10 pamphlets were distributed, providing valuable information on maintaining good eye health.

and The Directorate of Medical Education, Chennai.

Feedback:

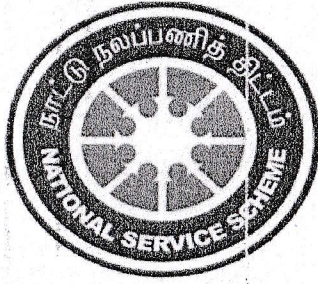

The feedback from the participants was overwhelmingly positive. Villagers expressed their gratitude for the free eye care services and the educational sessions provided. Many appreciated the accessibility of the camp and the opportunity to address their eye health concerns without any cost.

Conclusion:

The Free Eye Check-Up Camp successfully met its objectives, significantly benefiting the residents of Vadugapatti. The event not only provided immediate eye care but also contributed to raising awareness about eye health in the community. We look forward to organizing similar events in the future to continue supporting the health and well-being of the local population.

EVENT REPORT

Date: 18.04.2022

Respected sir,

Subject: Report on Awareness Program on "**Drug-Induced Nutritional Deficiencies**".

We are pleased to report that the awareness program on "**Drug-Induced Nutritional Deficiencies**" was successfully conducted on **16.04.2022** at our college auditorium. The program was well-received by both students and residents of nearby villages, with an attendance of approximately 55 participants. The event featured informative sessions led by experts in the field, who provided valuable insights into the nutritional deficiencies caused by certain drugs and ways to manage them. Interactive discussions allowed the participants to engage with the experts and clarify their doubts.

Beneficiaries of the Program:

- **College Students:** Approximately 25 students participated, gaining essential knowledge on how to maintain nutritional balance while on medication.
- **Residents of Nearby Villages:** Around 30 residents attended the program, which helped raise awareness about the importance of nutrition in drug therapy.

The feedback received from participants was overwhelmingly positive, with many expressing gratitude for the knowledge they gained. We believe this program has made a significant impact on the health awareness of our community.

EVENT REPORT

Date: 11.02.2022

Respected Sir,

Subject: Report for “Drug Abuse Awareness Program”.

I am pleased to submit the post-event report for the “Drug Abuse Awareness Program” conducted on 09.02.2022 at SSIP Campus. The event was successfully organized and received an enthusiastic response from both the students and the residents of nearby villages.

Key Highlights of the Program:

- **Date and Time:** 09.02.2022
- **Venue:** Nearby Villages.
- **Total Beneficiaries:** 62
 - Students:22
 - Villagers:40
- **Activities Conducted:**
 - Expert talk on drug abuse and its consequences
 - Interactive sessions on preventive strategies
 - Role-play and awareness exercises
 - Distribution of educational materials

The beneficiaries of the program included 22 college students and 40 community members from nearby villages.

Outcome and Impact:

The program successfully raised awareness about the dangers of drug abuse among the youth and community. The event served as an important step in fostering a drug-free environment in our college and the surrounding areas. We would like to extend our gratitude to you for your support and encouragement in making this event a success.

Respected sir,

Subject: Request for Approval to Conduct an Awareness Program on "Public Health Campaigns for Clean Drinking Water".

We hope this letter finds you well. We are writing to seek your approval to organize an awareness program titled "**Public Health Campaigns on Clean Drinking Water**" for our college students and the nearby village communities. This program aims to educate participants on the importance of clean drinking water, proper water purification methods, and the health risks associated with contaminated water. Given the significance of this issue, we believe that this program will be highly beneficial to both our students and the local community. The program is proposed to be conducted on 21.01.2022 at Government Girls Higher Secondary School sankari. We intend to involve experts in public health, environmental science, and local authorities to provide valuable insights and practical knowledge. Your approval and support for this initiative would be greatly appreciated. Please let us know if there are any additional steps we need to take to ensure the success of this program.

Thanking you,

EVENT REPORT

Date: 24.01.2022

Respected sir,

Subject: Report on Awareness Program for "Clean Drinking Water".

We are pleased to submit the post-event report for the awareness program on **"Public Health Campaigns for Clean Drinking Water,"** which was successfully conducted on **21.01.2022** at **Government Girls Higher Secondary School Sankari**. The program saw active participation from 19 college students and 30 community members from the nearby village. The sessions were led by experts in public health and environmental science, who provided comprehensive knowledge on the importance of clean drinking water, methods of water purification, and the health hazards of contaminated water. Feedback from the participants has been overwhelmingly positive, with many expressing a greater awareness of the importance of clean drinking water and a commitment to implementing what they learned in their daily lives.

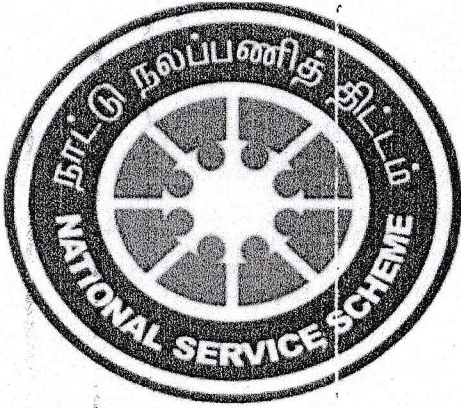

Beneficiaries of the program include:

- **College Students:** Increased awareness and understanding of clean drinking water and its importance to health.
- **Nearby Village Residents:** Empowered with practical knowledge on water purification and the importance of clean water, leading to improved community health.

We believe that this program has made a significant impact and look forward to organizing more such initiatives in the future.

EVENT REPORT

Date: 21.12.2021

Respected sir,

Subject: Report on the Awareness Program "**Public Awareness on the Danger of Self-Medication**".

We are pleased to submit the post-event report on the awareness program "**Public Awareness on the Danger of Self-Medication**," which was successfully conducted on 18.12.2021. The program was attended by approximately 25 students from our college and 30 residents from the nearby villages. The event featured insightful presentations by healthcare professionals who highlighted the various risks associated with self-medication, including potential drug interactions, the danger of incorrect dosages, and the growing concern of antibiotic resistance. The session was interactive, with participants actively engaging in the discussion and raising pertinent questions.

Beneficiaries of this program included:

- **College Students:** The students gained a deeper understanding of the importance of consulting healthcare providers before taking any medication. They were also made aware of the potential dangers of self-medication.
- **Residents of Nearby Villages:** The residents benefited from the program by learning about safe medication practices and the risks of self-medication, which is particularly prevalent in rural areas.

The program received positive feedback from the participants, and we believe it has made a significant impact on their awareness of this critical public health issue. We recommend conducting follow-up sessions to reinforce the knowledge gained and to continue promoting safe medication practices within our community.

EVENT REPORT

Date: 27.09.2021

Respected Sir,

Subject: Report on the Awareness Program on "Campaigns on Healthy Aging".

We are pleased to submit the post-event report for the awareness program titled "Campaigns on Healthy Aging", which was successfully conducted on 23.09.2021 at Kuppanur village. The event witnessed active participation from both college students and residents of nearby villages.

Event Highlights:

- **Expert Talks:** Renowned healthcare professionals delivered insightful sessions on nutrition, physical activity, mental health, and preventive care.
- **Interactive Sessions:** Participants engaged in discussions and Q&A sessions with the experts.
- **Informative Materials:** Brochures and pamphlets on healthy aging practices were distributed to all attendees.

Beneficiaries:

- **College Students:** A total of 27 students participated, gaining valuable knowledge on maintaining health as they age.
- **Village Residents:** 30 villagers from the surrounding areas attended the event and benefitted from the expert advice and informational materials.

The event was well-received by all attendees, and we believe it has made a significant impact on raising awareness about the importance of healthy aging.

AWARENESS PROGRAM ON BREASTFEEDING

Date: 09.08.2021

From:

Program Coordinator,
SS institute of pharmacy,
Sankari- 637301.

To:

The Principal,
SS institute of pharmacy,
Sankari- 637301.

Respected Sir,

Subject: Request for Approval to Conduct an "Awareness Program on Breastfeeding".

We are writing this letter to seek your approval to organize an "Awareness Program On The Importance Of Breastfeeding" for our college students and the residents of nearby villages. This program aims to educate and inform participants about the health benefits of breastfeeding for both mother and child, addressing common misconceptions and providing practical guidance. The program will include expert talks, interactive sessions, and informational material distribution. We believe this initiative will significantly benefit the community by promoting better health practices and supporting new mothers. We propose to hold this program on 18.08.2021 and we kindly request your support and approval for this initiative.

Thanking you,

PRINCIPAL,
SS INSTITUTE OF PHARMACY,
KUPPANUR (PO), SANKARI (TK),
SALEM - 637301

Yours sincerely,
Program Coordinator,
SS institute of pharmacy.

CIRCULAR

Date: 14.08.2021

Dear All,

Subject: Conducting Awareness Program on “Breastfeeding”.

We are pleased to announce that **SSIP**, in collaboration with the Pharmaceutics Department will be organizing an awareness program on breastfeeding. This program aims to educate our students and the residents of nearby villages about the vital role of breastfeeding in promoting the health and well-being of both mothers and children. The program will be held on 18.08.2021 at Sankari Government Hospital and it will feature expert speakers, informative sessions, and resource distribution to provide comprehensive knowledge on the topic. We encourage all students and community members to participate in this important event and contribute to spreading awareness about this essential aspect of maternal and child health. We look forward to your active participation.

EVENT REPORT

Date: 20.08.2021

Respected Sir,

Subject: Report on Awareness Program on “Breastfeeding”.

We are pleased to submit the post-event report for the awareness program on “Breastfeeding” conducted on 18.08.2021. The program was successfully held at Sankari Government hospital, with active participation from both our college students and the residents of nearby villages. The event featured insightful talks by healthcare professionals, interactive sessions with participants, and the distribution of informational brochures. The key topics covered included the health benefits of breastfeeding, techniques for successful breastfeeding, and addressing common myths.

Beneficiaries of the Program:

- College Students: 25
- Residents from Nearby Villages: 10

The feedback received from the attendees was overwhelmingly positive, with many expressing a newfound understanding and appreciation of the importance of breastfeeding.

We believe this program has made a significant impact on promoting healthier practices within our community. We are grateful for your support in making this event a success.
