

MEMORANDUM OF UNDERSTANDING(MoU)

Purpose

This Memorandum of Understanding establishes a collaborative partnership between SS Institute of Pharmacy and Med plus to enhance educational and professional opportunities for students. The collaboration aims to bridge the gap between academic learning and practical experience in the pharmaceutical industry, preparing students for successful careers.

Objectives

The objectives of this MOU include:

- **Internship and Co-op Programs:** To provide students with hands-on experience in various departments at Med plus including research and development, quality assurance, and regulatory affairs.
- **Joint Research Initiatives:** To collaborate on research projects that focus on drug formulation, clinical trials, and pharmaceutical technology, contributing to advancements in the field.
- **Workshops and Seminars:** To organize regular training sessions and seminars led by industry experts to enhance students' knowledge of current trends, technologies, and regulatory requirements in the pharmaceutical sector.
- **Curriculum Development:** To work together in developing and updating the pharmacy curriculum to reflect industry needs and ensure that students are equipped with relevant skills.

3. Roles and Responsibilities

- **SS Institute of Pharmacy will:**
 - Provide qualified students for internships, ensuring they meet the necessary academic and professional standards. Facilitate collaboration on research projects, contributing faculty expertise and academic resources.
 - Organize workshops and seminars to disseminate knowledge on relevant pharmaceutical topics and innovations. Evaluate student performance in internships and provide feedback to Med plus to enhance the internship experience.
- **MED PLUS will:**
 - Offer structured internship programs, including mentorship from experienced professionals within the company.
 - Provide access to industry data, research findings, and case studies for academic use, ensuring students gain practical insights.

- Participate in curriculum development discussions to align academic programs with industry standards and practices.
- Support SS Institute in organizing industry-related events and career fairs to connect students with potential employers.

4. Duration

This MOU will commence on June 25, 2022, and will remain in effect for Four years, with the option for renewal or revision upon mutual agreement of both parties.

5. Confidentiality

Both parties agree to maintain the confidentiality of proprietary information, including but not limited to research data, financial information, and any other sensitive materials exchanged during the collaboration. This obligation will survive the termination of this MOU.

6. Dispute Resolution

In the event of any disputes arising from this MOU, both parties agree to engage in good faith discussions to resolve the issue amicably. If resolution is not achieved, the parties may seek mediation before pursuing legal action.

7. Amendments

This MOU may be amended or modified only through a written agreement signed by authorized representatives of both parties. Any amendments should be documented and attached to this MOU.

8. Signatures: By signing below, the parties acknowledge their understanding and agreement to the terms of this MOU.

Memorandum of Understanding (MOU)

Between

SS Institute of Pharmacy & Arbor Pharmaceuticals

1. Purpose

This MOU aims to establish a collaborative relationship between SS Institute of Pharmacy and Arbor Pharmaceuticals to advance pharmaceutical education, research, and workforce development.

2. Objectives

The objectives of this collaboration include:

- Enhancing student learning through practical experience in a leading pharmaceutical company.
- Promoting research projects that address current challenges in the pharmaceutical industry.
- Fostering innovation through joint workshops and seminars.

3. Collaborative Activities

Both parties will engage in the following activities:

- **Internship Programs:** Arbor will provide structured internship opportunities for pharmacy students to gain hands-on experience.
- **Research Collaboration:** Joint research initiatives focused on drug development, formulation, and regulatory practices.
- **Training Workshops:** Conducting training sessions led by Arbor experts on industry trends, quality assurance, and regulatory compliance.
- **Career Development:** Organizing career fairs and networking events to connect students with Arbor professionals.

4. Responsibilities

SS Institute of Pharmacy agrees to:

- Prepare students for internship opportunities and provide necessary academic support.
- Facilitate access to university resources for research collaborations.
- Promote Arbor's initiatives and programs to students.

Arbor Pharmaceuticals agrees to:

- Offer meaningful internship placements and mentorship for students.
- Provide expertise and resources for collaborative research projects.
- Participate in career development activities organized by the Institute.

5. Duration

This MOU will remain in effect from May 23rd, 2022 up to five years with a review for potential renewal or modification at the end of the term.

6. Confidentiality

Both parties shall keep confidential any proprietary information shared during this collaboration, unless otherwise agreed upon in writing.

7. Dispute Resolution

Any disputes arising from this MOU will be addressed through mutual discussion. If unresolved, parties may seek mediation as a resolution.

MEMORANDUM OF UNDERSTANDING (MoU)

Between

UNITED COLLEGE OF PHARMACY

G.Koundampalayam, Periyanaickenpalayam, Coimbatore - 641020

(hereinafter referred to as First Party)

&

SS INSTITUTE OF PHARMACY

Manjakkalpatty, Kuppanur (po), Sankari, Salem – 637304

(hereinafter referred to as Second Party)

1 Purpose

The purpose of this MOU is to establish academic relations between United college of pharmacy and SS Institute of Pharmacy with a view to identifying areas of cooperation that may include any academic programme or educational activity at either institution that could help foster and develop the relationship. The specific terms of cooperation for each activity under the Memorandum shall be mutually discussed and agreed upon and shall be subject to appropriate and separate Agreements.

2 Areas of Cooperation

The parties agree to cooperation through such activities as:

- i. Advanced standing arrangements facilitating the access and progression of learners from programmes in one institution into programmes at the other institution, subject to academic analysis of each other's programmes, and approval and development of a formal Agreement between both parties.
- ii. Exchange of faculty and/or staff, subject to financial approval or financing from an external granting agency;
- iii. Joint research activities and publications, subject to financial approval or financing from an external granting agency;

- iv. Participation in seminars and academic meetings, subject to financial approval or financing from an external granting agency;
- v. Development and provision of specific academic programmes, with prior approval from each institution's respective authorities;
- vi. Exchange of graduate and/or undergraduate students, under the umbrella of a Student Exchange Agreement, approved by the appropriate authorities;
- vii. Exchange of academic and educational materials and other information, under the umbrella of the appropriate Agreement, in conformity with the institutional policies in place;

3 Next Steps and Responsibilities

- i. In developing areas of cooperation between United college of pharmacy and SS Institute of Pharmacy College all Quality Assurance procedures from both institutions will be followed. Adherence to the QA procedures in each institution is the responsibility of that institution.
- ii. The Head of Faculty, (or Heads of Faculties), concerned in United college of pharmacy will ensure that contact is made between the United college of pharmacy faculty members involved in this arrangement and their counterparts from SS Institute of Pharmacy for the purpose of identifying areas of academic cooperation.
- iii. Academic faculty members in both United college of pharmacy and SS Institute of Pharmacy college will carry out a mapping of related programmes to identify possible student pathways for learners.
- iv. Where a particular mapping is agreed for promotion and availability to learners the mapping shall be reviewed on an annual basis to ensure any modifications to programmes are identified.

- v. Where such pathways are identified and agreed, a specific Agreement will be drawn up between United college of pharmacy and SS Institute of Pharmacy college such an agreement will be processed through internal quality assurance procedures, and will then be forwarded to the leaders of both institutions for signing.
- vi. Such Agreements will outline all details relating to the responsibilities of students, staff at United college of pharmacy and staff at SS Institute of Pharmacy college as well as management and financial arrangements for such academic arrangements as are agreed.
- vii. The Heads of Faculty in both institutions will explore the possibility of student and faculty exchange arrangements, engagement in conferences, further agreements and the sharing of academic and scientific materials.
- viii. SS Institute of Pharmacy College will refrain from making any formal / in-formal announcements pertaining to any collaborative programmes or articulation engagement until a Memorandum of Agreement is signed by the presidents, or their designated nominees of **United college of pharmacy** and **SS Institute of Pharmacy College**.
- ix. *Any breach of this covenant will result in an immediate termination of this MOU and the cessation of all engagement activities between **United college of pharmacy** and **SS Institute of pharmacy**.*

4 Duration of Memorandum of Understanding

This MOU will remain in force for Five Years and may be extended and reviewed by mutual consent. Only the President of **United college of pharmacy** (or nominee) shall have the power to amend or terminate this MOU on behalf of **United college of pharmacy**, and only the Manager of **SS Institute of Pharmacy college** shall have the power to amend or terminate this MOU on behalf of **SS Institute of Pharmacy** Should such notice of termination be exercised, specific measures shall be agreed to ensure that any students who have already embarked on programmes of study, or who have been accepted to do so, will not be disadvantaged.

In case of termination, a minimum of a 30 days' notice period is required.

Variations or modifications to this MOU may be proposed at any time by either party and will only be legally binding when agreed in writing by both parties.

5 Non-Exclusivity

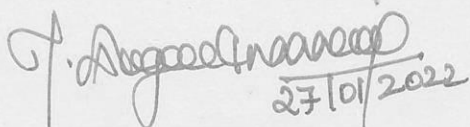

Participation in this MOU is not exclusive and shall not prevent United college of pharmacy or SS Institute of Pharmacy College from entering into similar understandings with other institutions.

6 Publicity

United college of pharmacy and SS Institute of Pharmacy College may make reference to this MOU as a general understanding between the institutions. Details of programme arrangements can only be publicised on completion of the specific Agreements referred to in section 3 v above.

BETWEEN

SS INSTITUTE OF PHARMACY

(hereinafter referred to as FIRST PARTY)

AND

MAARUTHI MEDICAL CENTRE AND HOSPITAL

(hereinafter referred to as SECOND PARTY)

The objective of this MoU is to create a collaborative framework that integrates healthcare education, student training, and research development. Both institutions aim to leverage their strengths in academic and healthcare practices to provide valuable learning experiences and contribute to advancements in the pharmaceutical and healthcare fields. Through this MoU, Maruthi Medical Health Care will offer internship and practical training opportunities for pharmacy students from SS Institute.

These programs will allow students to gain real-world experience in areas such as clinical pharmacy, patient care, and healthcare management, bridging the gap between academic studies and professional practice. In addition, both institutions will work together to enhance faculty development through workshops, training sessions, and seminars, promoting the sharing of industry knowledge and skills.

Moreover, the Institute and Maruthi Health Care will undertake joint research initiatives, focusing on areas like healthcare innovations, pharmaceutical development, and improved patient care. The partnership may also extend to organizing health camps and community outreach programs to raise public awareness and support health-related initiatives. This MoU will remain effective for a period of **5 Years** from the date of signing, with the possibility of renewal or amendment upon mutual agreement. Either party may terminate this agreement by providing 30 days written notice.
