About IQAC

The internal Quality Assurance Cell (IQAC) was established on August 24, 2022, to develop quality systems aimed at improving the academic and administrative performance of the college. IQAC in SSIP has been constituted under the patronage of the Chairman, chairmanship of the principal, and the coordination of senior Faculty members. Other members of IQAC include administrative officers, faculty members, Alumni, Parents, Student representatives, members of local society, and industrialists.

Objectives

- To develop a system for conscious, consistent, and catalytic improvement in the overall quality of the institution. .
- To ensure timely, efficient, and progressive performance of academic and administrative tasks.
- To ensure the adequacy, maintenance, and functions of the support structure and services.
- To explore and integrate modern methods of teaching, learning, and assessment.
- To collaborate with other institutions and industries for research, and skill development.
- To develop credible evaluation procedures for the quality enhancement of academic, research, and administrative activities.

Functions of IQAC

Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution.

Facilitating the creation of a learner-centre environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.

Arrangement for feedback response from students, parents and other stakeholders on quality related institutional processes.

Dissemination of information on various quality parameters of higher education.

Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles.

Documentation of the various programmers/activities leading to quality improvement.
