EVENT REPORT

Date: 27/01/2020

Subject: Post-Seminar Report on "Advances in Controlled Release of Drug Delivery Systems".

Respected Sir,

I am pleased to inform you that the seminar on "**Advances in Controlled Release of Drug Delivery Systems**" conducted on **24/01/2020**, was a resounding success. The event witnessed enthusiastic participation from both students and faculty members.

We had the privilege of hosting two eminent speakers from the industry and academia who shared their invaluable insights into the application of "**Advances in Controlled Release of Drug Delivery Systems**". Their presentations were well-received, and the interactive sessions provided participants with an opportunity to engage in meaningful discussions.

Feedback from attendees has been overwhelmingly positive, with many expressing their appreciation for the knowledge gained through the seminar. This event has undoubtedly enriched the academic environment of our department and has inspired students to explore new avenues in pharmaceutical technology.

I would like to extend my gratitude for your support in making this seminar possible. We look forward to organizing more such events in the future to continue enhancing the learning experience for our students.
