Subject: Request for Approval to Conduct Seminar on
“Nanotechnology in Drug Discovery”

Respected Sir,

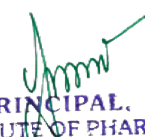

I am writing to seek your approval for conducting a seminar on “**Nanotechnology in Drug Discovery**” in the **Department of Pharmacology**. We propose to hold this seminar on **30/11/2019**, from **10.00 am** at **SSIP Seminar Hall**. Esteemed experts in the field will be invited as guest speakers to share their knowledge and insights. Therefore, I kindly request you to grant permission to organize this event.

Thanking you,

Yours sincerely,

Mr. D.Sathyamurthy,
SS institute of pharmacy,
Sankari, Salem.

CIRCULAR

Date:19/11/2019

Dear all,

We are pleased to announce that the Department of **Pharmacology** will be hosting a seminar on “**Nanotechnology in Drug Discovery**” on **30/11/2019** at **10.00 am** in **SSIP SeminarHall**. This seminar will explore the revolutionary role of nanotechnology in the discovery and development of new drugs, offering insights into how nanoscale materials can be used to improve drug delivery, efficacy, and safety.

The seminar will feature distinguished speakers who are leading experts in the field of nanotechnology and Pharmacology. It is an excellent opportunity for students and faculty to enhance their knowledge and engage in discussions on this cutting-edge topic. All students, faculty members, and interested parties are encouraged to attend.

EVENT REPORT

Date: 03/12/2019

Subject: Post Event Report on "Nanotechnology in Drug Discovery".

Respected sir,

I am pleased to inform you that the seminar on "**Nanotechnology in Drug Discovery**" conducted on **30/11/2019**, was a resounding success. The event witnessed enthusiastic participation from both students and faculty members.

We had the privilege of hosting two eminent speakers from the industry and academia who shared their invaluable insights into the application of "**Nanotechnology in Drug Discovery**". Their presentations were well-received, and the interactive sessions provided participants with an opportunity to engage in meaningful discussions.

Feedback from attendees has been overwhelmingly positive, with many expressing their appreciation for the knowledge gained through the seminar. This event has undoubtedly enriched the academic environment of our department and has inspired students to explore new avenues in pharmaceutical technology.

I would like to extend my gratitude for your support in making this seminar possible. We look forward to organizing more such events in the future to continue enhancing the learning experience for our students.
