## CIRCULAR

DATE:10/11/2019

Dear all,

This is to inform all faculty members and students that the Department of **Pharmacognosy** is organizing a workshop on "**Advances in Plant Tissue Culture for Secondary Metabolite Production.**" The workshop is scheduled to take place on 13/11/2019 at **11.00 am to 1.30 pm** in the college auditorium.

This workshop will provide valuable insights into the latest research and developments in the production of secondary metabolites through tissue culture techniques.

All students and faculty members are encouraged to attend this workshop to enhance their knowledge and engage in meaningful discussions on this important topic. We look forward to your active participation.

## EVENT REPORT

DATE: 18/11/2019

**Subject:** Post-Event Report on Workshop "**Advances in Plant Tissue Culture for Secondary Metabolite Production**".

**Respected Sir,**

I am pleased to inform you that the workshop on "**Advances in Plant Tissue Culture for Secondary Metabolite Production**" conducted on **13/11/2019** was a resounding success. The event witnessed enthusiastic participation from both students and faculty members.

We had the privilege of hosting two eminent speakers from the industry and academia who shared their invaluable insights into the application of "**Advances in Plant Tissue Culture for Secondary Metabolite Production**". Their presentations were well-received, and the interactive sessions provided participants with an opportunity to engage in meaningful discussions.

Feedback from attendees has been overwhelmingly positive, with many expressing their appreciation for the knowledge gained through the workshop. This event has undoubtedly enriched the academic environment of our department and has inspired students to explore new avenues in pharmaceutical technology.

I would like to extend my gratitude for your support in making this workshop possible. We look forward to organizing more such events in the future to continue enhancing the learning experience for our students.
