Subject:Request for Approval to Conduct a Seminar on

“ 3D Printing in Pharmaceutical Manufacturing”

Respected sir,

We are writing to seek your approval for a seminar titled "**3D Printing in Pharmaceutical Manufacturing**," organized by the Department of **Pharmaceutics**. The seminar is scheduled for **16/08/2019** from **09:00 am to 01:00 pm** in **SSIP Seminar Hall**. The primary goal of this seminar is to explore the impact of 3D printing technology on pharmaceutical manufacturing. I kindly request your approval to proceed with the seminar arrangements and your support will be crucial in ensuring the success of this event.

Thanking you,

Yours sincerely,

Mrs.Bhuvaneshwari

CIRCULAR

DATE :12/08/2019

Dear all,

I am pleased to announce that the Department of **Pharmaceutics** will be hosting a seminar on **"3D Printing in Pharmaceutical Manufacturing"** on **16/08/2019** from **09:00 am to 01:00pm** in SSIP seminar hall. This seminar aims to provide an in-depth exploration of 3D printing technology and its impact on the pharmaceutical industry.

The event will feature distinguished speakers, who will cover key topics such as technological innovations, regulatory issues, and future directions.

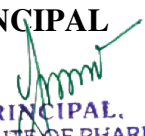

We encourage all faculty, students, and staff to attend this informative event. Your participation will contribute to the success of the seminar and provide valuable insights into this rapidly evolving field.

EVENT REPORT

DATE : 20/08/2019

Subject:Post-Event Report on Seminar on "**3D Printing in Pharmaceutical Manufacturing**" in the Department of **Pharmaceutics**.

Respected sir,

I am pleased to inform you that the seminar on "**3D Printing in Pharmaceutical Manufacturing**," conducted on **16/08/2019**, was a resounding success. The event witnessed enthusiastic participation from both students and faculty members. We had the privilege of hosting two eminent speakers from the industry and academia who shared their invaluable insights into the application of 3D printing in pharmaceutical manufacturing.

Their presentations were well-received, and the interactive sessions provided participants with an opportunity to engage in meaningful discussions. Feedback from attendees has been overwhelmingly positive, with many expressing their appreciation for the knowledge gained through the seminar.

This event has undoubtedly enriched the academic environment of our department and has inspired students to explore new avenues in pharmaceutical technology. I would like to extend my gratitude for your support in making this seminar possible. We look forward to organizing more such events in the future to continue enhancing the learning experience for our students.
