Subject: Request for Approval to Conduct a Seminar on

"Artificial Intelligence in Drug Discovery"

Respected sir,

We are hope this letter finds you in good health and high spirits. I am writing to seek your kind approval to organize a seminar titled "**Artificial Intelligence in Drug Discovery**" under the **Department of Pharmacology**. We plan to invite experts in the field to share their knowledge and insights on the topic. The seminar is proposed to be held on **06/03/2021** in the **SSIP Seminar Hall**. Kindly grant us permission to proceed with the arrangements for this seminar.

Thanking you,

Yours sincerely,

Mrs.M.Vanitha,
SS institute of pharmacy,
Sankari, Salem.

CIRCULAR

Date: 03/03/2021

Dear all,

We are pleased to announce that the **Department of Pharmacology** will be hosting a seminar on "**Artificial Intelligence in Drug Discovery**" on **06/03/2021** at **10.00AM** in **SSIP Seminar Hall**. This seminar will explore the role of artificial intelligence in accelerating the drug discovery process, reducing costs, and increasing the efficiency of drug development.

Esteemed speakers from the industry and academia will present their findings and share insights on the latest advancements in this field. All faculty members and students are encouraged to participate in this informative session.

EVENT REPORT

Date: 09/03/2021

Subject: Post Event Report on "**Artificial Intelligence in Drug Discovery**".

Respected sir,

I am pleased to inform you that the seminar on "**Artificial Intelligence in Drug Discovery**" conducted on **06/03/2021**, was a resounding success. The event witnessed enthusiastic participation from both students and faculty members.

We had the privilege of hosting two eminent speakers from the industry and academia who shared their invaluable insights into the application of "**Artificial Intelligence in Drug Discovery**". Their presentations were well-received, and the interactive sessions provided participants with an opportunity to engage in meaningful discussions.

Feedback from attendees has been overwhelmingly positive, with many expressing their appreciation for the knowledge gained through the seminar. This event has undoubtedly enriched the academic environment of our department and has inspired students to explore new avenues in pharmaceutical technology.

I would like to extend my gratitude for your support in making this seminar possible. We look forward to organizing more such events in the future to continue enhancing the learning experience for our students.
