Subject: Request for Approval to Conduct a Seminar on

“The Future of Artificial Intelligence in Chemistry”

Respected sir,

I hope this letter finds you in good health and spirits. I am writing to seek your approval for organizing a seminar titled **“The Future of Artificial Intelligence in Chemistry”** for the students and faculty of the **Department of Chemistry**. We propose to hold this seminar on **29/01/2021**, from **10.00 AM** at **SSIP Seminar Hall**. Esteemed experts in the field will be invited as guest speakers to share their knowledge and insights. I kindly request your approval to proceed with the necessary arrangements for the seminar. Your support in this endeavor will be greatly appreciated.

Thanking you,

Yours sincerely,

Mr.M.Sangamaheshwaran,

Date:25/01/2021

Dear all,

This is to inform all the students and faculty of the **Department of Chemistry** that a seminar on “The Future of Artificial Intelligence in Chemistry” will be conducted on **29/01/2021** at **10.00 AM to 1.00 PM** in **SSIP Seminar Hall**.

The seminar will focus on the integration of artificial intelligence in chemical research and industry, covering topics such as AI in drug discovery, process optimization, molecular structure prediction, and other related areas. The session will be led by esteemed experts in the field.

All students and faculty members are encouraged to attend this seminar to gain valuable insights into the future of chemistry with AI. Attendance is mandatory for all students of the Department of Chemistry.

EVENT REPORT

Date:03/02/2021

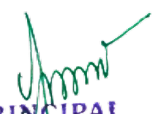

Subject: Post-Event Report on Seminar: "**The Future of Artificial Intelligence in Chemistry**".

Respected Sir,

I am pleased to submit the post-event report on the seminar titled "**The Future of Artificial Intelligence in Chemistry**" held on **29/01/2021** at **SSIP Seminar Hall**.

The seminar was successfully conducted with the participation of over 45 attendees, including faculty members, students. The event provided an excellent platform for discussions on the integration of AI in various branches of chemistry and its potential to transform the field.
