Subject: Request for Approval to Conduct webinar on

“Biomimetic Chemistry : Inspiration From Nature For Chemical Innovation”

Respected sir,

I am writing to seek your approval to organize a webinar titled "**Biomimetic Chemistry: Inspiration from Nature for Chemical Innovation**" under the Department of **Chemistry**. The proposed date for the webinar is **27/08/2021**, which will cover honorariums for speakers, webinar materials, and refreshments. I kindly request your approval and support for this event. We look forward to your positive response.

Thanking you,

Yours sincerely,

B.Anitha,

Date:23/08/2021

Dear all,

It is hereby informed that the Department of **Chemistry** will be organizing a webinar on "**Biomimetic Chemistry: Inspiration from Nature for Chemical Innovation**" on **27/08/2021**. The webinar will delve into the fascinating world of biomimetic chemistry, exploring how nature's processes and structures inspire cutting-edge chemical innovations.

The webinar will feature expert speakers from various fields, providing valuable insights into the applications and future prospects of biomimetic approaches in chemistry. All students and faculty members are encouraged to participate in this intellectually enriching event.

Attendance is mandatory for all students of the Department of Chemistry. Faculty members are requested to assist in coordinating the event and ensure its smooth execution.

EVENT REPORT

Date: 30/08/2021

Subject: Post-Event Report on Seminar "**Biomimetic Chemistry: Inspiration from Nature for Chemical Innovation**".

Respected sir,

I am pleased to submit the post-event report for the webinar titled "**Biomimetic Chemistry: Inspiration from Nature for Chemical Innovation**," which was successfully conducted on **27/08/2021** at **SSIP Seminar Hall**. The seminar was attended by more participants, including students, faculty members, and invited guests.

The event featured distinguished speakers, including **K.Keerthika** and **Mr.M.Sangamaheshwaran** who shared their insights on the latest developments and applications of biomimetic chemistry. The presentations were well-received, and the interactive sessions provided an excellent platform for knowledge exchange.

The feedback from the participants was overwhelmingly positive, with many expressing appreciation for the depth of knowledge shared and the relevance of the topic to current scientific challenges. The webinar not only enhanced the understanding of biomimetic chemistry among attendees but also inspired new ideas for research and innovation within our department. I would like to extend my gratitude to you for your support and approval, which was instrumental in the successful execution of this webinar. I also wish to thank the organizing committee, faculty members, and students who contributed to making this event a success.
