DATE:22/11/2021

Dear all,

This is to inform all faculty members and students of the Department of **Pharmacology** that a seminar on **"Artificial Intelligence in Pharmacology"** will be conducted on **26/11/2021**at **SSIP Seminar Hall** from**10.00 am** to **1.00 pm**. The seminar aims to delve into the role of AI in the field of pharmacology, focusing on its application in drug discovery, development, and personalized medicine.

We have invited esteemed speakers from renowned institutions and industries to share their expertise and experiences. This seminar is a valuable opportunity for both students and faculty to gain insights into the latest trends and advancements in pharmacology facilitated by AI. Faculty members are encouraged to participate actively in the discussions.We look forward to your active participation.

EVENT REPORT

DATE : 30/11/2021

Subject: Post Event Report on the Seminar **"Artificial Intelligence in Pharmacology".**

Respected Sir,

I am pleased to submit the post-event report for the seminar titled **"Artificial Intelligence in Pharmacology,"** held on **26/11/2021**. The event was a great success, with active participation from both students and faculty members of the Department of **Pharmacology.**

Dr.S.Kavimani.,from **Mother Terasa Post Graduate & Research Institute of Health Science,** who discussed AI-driven drug discovery, and**Mr.G.Muthukumaran.,** from **JKKMRF'S Annai JKK Sampooraniammal College of Pharmacy**, who explored the implications of AI in personalized medicine. The sessions were highly interactive, with participants engaging in fruitful discussions and Q&A sessions.

Feedback from the attendees has been overwhelmingly positive, with many expressing their appreciation for the relevance and quality of the content delivered.I would like to extend my gratitude for your support in making this seminar a success. The event has significantly contributed to enhancing the knowledge and understanding of AI applications in pharmacology among our academic community.
