Dear All,

We are pleased to announce that the Department of **Chemistry** will be hosting a webinar titled "**Chemistry of Renewable Biofuels**" on **01/04/2023**. This event is a significant opportunity for us to explore the cutting-edge developments in the field of renewable energy and its chemical underpinnings.

We encourage all faculty members, students, and interested parties to attend and actively participate in the discussions. This webinar will not only enhance our understanding but also provide valuable networking opportunities with experts in the field. Please mark your calendars and make arrangements to attend this informative session.

EVENT REPORT

DATE:04/04/2023

Subject: Post-Event Report on Webinar “**Chemistry of Renewable Biofuels**”.

Respected sir,

I am pleased to submit the post-event report on the webinar titled “**Chemistry of Renewable Biofuels**”, which was successfully conducted on **01/04/2023** in the college auditorium.

The webinar was well-received, with over **25** participants, including students and faculty members from the **Department of Chemistry**. **Mr.S.Pravinkumar** delivered an engaging keynote address, highlighting the latest developments in renewable biofuels, their chemical processes, and their potential to contribute to a sustainable energy future.

The session was interactive, with students actively participating in the Q&A segment. The feedback received from attendees was overwhelmingly positive, with many expressing their appreciation for the knowledge gained.

Overall, the webinar achieved its objective of enhancing the understanding of renewable biofuels among our students and faculty. I would like to extend my sincere thanks to you for your support in organizing this event.
