EVENT REPORT

DATE: 09/11/2022

Subject: PostEventReport for “Polymer-Based Drug Delivery Systems Program”.

Respected sir,

I am pleased to inform you that the webinar "**Polymer-Based Drug Delivery Systems Program**" conducted on **05/11/2022** was a resounding success. The event witnessed enthusiastic participation from both students and faculty members.

We had the privilege of hosting two eminent speakers from the industry and academia who shared their invaluable insights into the application of “**Polymer-Based Drug Delivery Systems Program**”. Their presentations were well-received, and the interactive sessions provided participants with an opportunity to engage in meaningful discussions.

Feedback from attendees has been overwhelmingly positive, with many expressing their appreciation for the knowledge gained through the webinar. This event has undoubtedly enriched the academic environment of our department and has inspired students to explore new avenues in pharmaceutical technology. The polymer-based drug delivery systems program was a success, achieving its objectives and receiving positive feedback from participants. The program provided valuable insights and practical skills that will benefit participants in their academic and professional pursuits.
