National Service Schemes (NSS)

Students are encouraged to actively engage in extracurricular pursuits to align with the institution's goals and vision. Through platforms like NSS, clubs, and various societies, learners are inspired to get involved in activities aimed at fostering holistic personal development.

The institution boasts a vibrant NSS unit that takes on initiatives such as ensuring the campus remains clean and green, participating in community outreach by organizing blood donation drives, and conducting events to raise awareness about education and public health.

Students recognize their duty to contribute back to society and the environment as a gesture of gratitude for what they have gained. Volunteers from our NSS Unit take part in community service projects, including special camps in adopted villages, working with orphanages, tree-planting activities, and providing support during flood relief efforts.

These initiatives instill a deep sense of accountability, honesty, and ethical values in students, empowering them to fulfill the institution's overarching goals and vision.
