DRUG-INDUCED NUTRITIONAL DEFICIENCIES

Date : 07.04.2022

From:

Program Coordinator,
SS institute of pharmacy,
Sankari- 637301.

To:

The Principal,
SS institute of pharmacy,
Sankari- 637301.

Respected Sir,

Subject: Request for Approval to Conduct an Awareness Program on "**Drug-Induced Nutritional Deficiencies**".

I am writing this letter to seek your approval to organize an awareness program on "**Drug-Induced Nutritional Deficiencies**" for our college students and the residents of nearby villages. The objective of this program is to educate the participants on how certain medications can lead to nutritional deficiencies and the importance of addressing these deficiencies for overall health. The proposed date for the program is 16.04.2022, and it will be held at the college auditorium. The session will include expert talks, interactive discussions, and distribution of informative materials.

Thanking you,

PRINCIPAL,
SS INSTITUTE OF PHARMACY,
KUPPANUR (PO), SANKARI (TK),
SALEM - 637301

Yours sincerely,
Program Coordinator,
SS institute of pharmacy

CIRCULAR

Date: 11.04.2022

Dear All,

Subject: Awareness Program on "**Drug-Induced Nutritional Deficiencies**".

We are pleased to announce the organizing an awareness program on "**Drug-Induced Nutritional Deficiencies**" on 16.04.2022 at 10.00 AM in the college auditorium. This program aims to educate our students and the residents of nearby villages about the potential nutritional deficiencies that can arise from certain medications and the steps to mitigate these effects. We encourage all students and faculty to attend this important session and take advantage of the valuable information being shared. Participation certificates will be awarded to all attendees. Your cooperation in making this event a success is highly appreciated.

EVENT REPORT

Date: 18.04.2022

Respected sir,

Subject: Report on Awareness Program on "**Drug-Induced Nutritional Deficiencies**".

We are pleased to report that the awareness program on "**Drug-Induced Nutritional Deficiencies**" was successfully conducted on **16.04.2022** at our college auditorium. The program was well-received by both students and residents of nearby villages, with an attendance of approximately 55 participants. The event featured informative sessions led by experts in the field, who provided valuable insights into the nutritional deficiencies caused by certain drugs and ways to manage them. Interactive discussions allowed the participants to engage with the experts and clarify their doubts.

Beneficiaries of the Program:

- **College Students:** Approximately 25 students participated, gaining essential knowledge on how to maintain nutritional balance while on medication.
- **Residents of Nearby Villages:** Around 30 residents attended the program, which helped raise awareness about the importance of nutrition in drug therapy.

The feedback received from participants was overwhelmingly positive, with many expressing gratitude for the knowledge they gained. We believe this program has made a significant impact on the health awareness of our community.
