GERIATRIC CASE AND MEDICATION MANAGEMENT

Date: 01/05/2023

From:

Program coordinator,
SS Institute of pharmacy,
Sankari- 637301.

To:

The Principal,
SS Institute of pharmacy,
Sankari- 637301.

Respected sir,

Subject: Request for Approval to Conduct Awareness Program on “Geriatric Case and Medication Management”.

I am writing to seek your approval for organizing an awareness program on "Geriatric Case and Medication Management." This initiative aims to enhance college students' understanding of geriatric care and effective medication management, as well as to benefit the nearby village community.

The program will include a designed to:

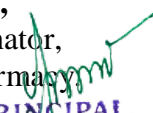

1. Educate participants on the unique medical and psychological needs of elderly individuals.
2. Provide practical training in managing medications for the elderly.
3. Raise awareness about common geriatric conditions and preventative care strategies.

The proposed date for the workshop is 04.06.2023, and it will be held at Edappadi Government hospital. We request your approval to proceed with the necessary arrangements and to circulate this initiative among students and faculty.

We are looking forward to your positive response and support for this important program.

Thanking you,

Yours sincerely,
Program coordinator,
SS Institute of Pharmacy

EVENT REPORT

Date: 16.06.2023

Respected sir,

Subject: Report on Awareness Program on "Geriatric Case and Medication Management".

I am pleased to provide a report on the recent awareness program on "Geriatric Case and Medication Management," held on 14.06.2023 at Edappadi Government hospital.

Program Overview: The program was conducted to educate college students and members of the nearby village on geriatric care and medication management. The session included presentations, interactive discussions, and practical demonstrations.

Attendance and Participation:

- College Students: 22
- Village Residents: 30
- Total Participants: 52

Highlights:

- Sessions were conducted by experts in geriatric medicine
- Participants engaged in hands-on activities, such as medication management simulations and case studies.

Beneficiaries: The program was beneficial to:

- **College Students:** Enhanced their understanding of elderly care and medication management, fostering a sense of social responsibility and practical skills.
- **Village Residents:** Provided them with essential knowledge and resources to better manage the health needs of their elderly family members.

Feedback:

Feedback collected from participants indicated a high level of satisfaction with the content and delivery of the program.

Conclusion:

The awareness program successfully met its objectives and provided valuable insights to both students and village residents. We thank you for your support in making this initiative possible and look forward to organizing similar events in the future.
