DATE :24/05/2022

Dear All,

We are pleased to announce that the **Department of Chemistry** will be hosting a workshop titled "**Chemistry of Food and Flavor**" on **28/05/2022** at **SSIP Workshop** starting at **10.00 am**. This event is organized to provide an in-depth understanding of the chemical principles behind food flavors and their applications.

The workshop will feature presentations from esteemed experts in the field of food chemistry who will share their insights on the latest research and technological advancements. This is an excellent opportunity for all students and faculty members to gain valuable knowledge and engage in discussions related to the chemistry of flavors.

We encourage all students and faculty to attend this workshop to enhance their understanding and appreciation of food chemistry. Your active participation will contribute to the success of this academy.
