

Memorandum of Understanding (MoU)

This Memorandum of understanding, thereafter MOU is entered on 27/01/2022

BETWEEN

SS INSTITUTE OF PHARMACY

(hereinafter referred to as FIRST PARTY)

AND

MAARUTHI MEDICAL CENTRE AND HOSPITAL

(hereinafter referred to as SECOND PARTY)

The objective of this MoU is to create a collaborative framework that integrates healthcare education, student training, and research development. Both institutions aim to leverage their strengths in academic and healthcare practices to provide valuable learning experiences and contribute to advancements in the pharmaceutical and healthcare fields. Through this MoU, Maruthi Medical Health Care will offer internship and practical training opportunities for pharmacy students from SS Institute.

These programs will allow students to gain real-world experience in areas such as clinical pharmacy, patient care, and healthcare management, bridging the gap between academic studies and professional practice. In addition, both institutions will work together to enhance faculty development through workshops, training sessions, and seminars, promoting the sharing of industry knowledge and skills.

Moreover, the Institute and Maruthi Health Care will undertake joint research initiatives, focusing on areas like healthcare innovations, pharmaceutical development, and improved patient care. The partnership may also extend to organizing health camps and community outreach programs to raise public awareness and support health-related initiatives. This MoU will remain effective for a period of **5 Years** from the date of signing, with the possibility of renewal or amendment upon mutual agreement. Either party may terminate this agreement by providing 30 days written notice.
