

MEMORANDUM OF UNDERSTANDING(MoU)

Purpose

This Memorandum of Understanding establishes a collaborative partnership between SS Institute of Pharmacy and Med plus to enhance educational and professional opportunities for students. The collaboration aims to bridge the gap between academic learning and practical experience in the pharmaceutical industry, preparing students for successful careers.

Objectives

The objectives of this MOU include:

- **Internship and Co-op Programs:** To provide students with hands-on experience in various departments at Med plus including research and development, quality assurance, and regulatory affairs.
- **Joint Research Initiatives:** To collaborate on research projects that focus on drug formulation, clinical trials, and pharmaceutical technology, contributing to advancements in the field.
- **Workshops and Seminars:** To organize regular training sessions and seminars led by industry experts to enhance students' knowledge of current trends, technologies, and regulatory requirements in the pharmaceutical sector.
- **Curriculum Development:** To work together in developing and updating the pharmacy curriculum to reflect industry needs and ensure that students are equipped with relevant skills.

3. Roles and Responsibilities

- **SS Institute of Pharmacy will:**
 - Provide qualified students for internships, ensuring they meet the necessary academic and professional standards. Facilitate collaboration on research projects, contributing faculty expertise and academic resources.
 - Organize workshops and seminars to disseminate knowledge on relevant pharmaceutical topics and innovations. Evaluate student performance in internships and provide feedback to Med plus to enhance the internship experience.
- **MED PLUS will:**
 - Offer structured internship programs, including mentorship from experienced professionals within the company.
 - Provide access to industry data, research findings, and case studies for academic use, ensuring students gain practical insights.

- Participate in curriculum development discussions to align academic programs with industry standards and practices.
- Support SS Institute in organizing industry-related events and career fairs to connect students with potential employers.

4. Duration

This MOU will commence on June 25, 2022, and will remain in effect for Four years, with the option for renewal or revision upon mutual agreement of both parties.

5. Confidentiality

Both parties agree to maintain the confidentiality of proprietary information, including but not limited to research data, financial information, and any other sensitive materials exchanged during the collaboration. This obligation will survive the termination of this MOU.

6. Dispute Resolution

In the event of any disputes arising from this MOU, both parties agree to engage in good faith discussions to resolve the issue amicably. If resolution is not achieved, the parties may seek mediation before pursuing legal action.

7. Amendments

This MOU may be amended or modified only through a written agreement signed by authorized representatives of both parties. Any amendments should be documented and attached to this MOU.

8. Signatures: By signing below, the parties acknowledge their understanding and agreement to the terms of this MOU.
