Poetry [Nature],
Whispers of the world.
In dawn's soft light, the earth
- awakes,
A dew-kissed breath that softly
- shakes,
The trees sway gently in the breeze
A symphony of rustling leaves.
The river hums its Ancient song,
A winding path, both swift and long
with Every Ripple, life returns,
As sunlight through the forest bunn
The Mountains stand in silent grace
guardians of this sacred space
Their peaks adorned with snow and
Majestic, Timeless, strong and proud
Beneath the stars, the night unfold
A cosmic tale forever told
