Student Opportunities and Gender Equality

At our institution, we are committed to providing equal opportunities for all students, regardless of gender, to enhance their knowledge and skills. Pharmacy students are encouraged to participate in technical workshops, seminars, and conferences. To promote gender equality, we have established a Women's Empowerment Cell and encourage both female and male staff to contribute to our institution's success.

Moral Values and Ethics

Education as a Tool for Equality: We believe that education is a powerful means of promoting gender equality, which contributes significantly to national development.

Equal Opportunities: Our institution ensures that every candidate has equal opportunities for growth and success without discrimination.

Development Strategies: We implement various strategies and policies to help both girls and boys enhance their rational thinking and manage challenging situations.

Mentorship: Our mentors closely monitor students' academic progress and reward achievements to foster further growth.

Focus on Women's Health: We prioritize women's health by organizing regular health check-ups and hemoglobin estimations for female students and staff.

Promotion of Positive Values: Our institution promotes peace, harmony, love, and compassion among students, encouraging collaboration over competition.

Safety Measures

Surveillance: The campus is continuously monitored by e-surveillance cameras to ensure student safety.

Counseling Services: General mental health counseling is available for students in need.

Health Facilities: We provide gym facilities for all students to maintain their health.

Awareness Programs: Pharmacy students conduct various awareness programs, including "Save the Girl Child," "Gender Champions," and sessions on sexual abuse sensitization. They also address major health issues like alcohol cessation, tobacco withdrawal, and depression.

Community Outreach: Eye camps are organized in neighboring villages, and during the COVID era, students raised awareness about disease prevention through posters and pamphlets.

Disaster Relief: During floods, pharmacy students have actively participated in collecting funds and delivering food and necessities to affected areas.

Events and Festivals

Annual College Day: Celebrated yearly with numerous events, programs, and cultural activities.

Women's Day: Observed annually to honor women's achievements.

Sports Events: Organized for students, who participate with enthusiasm.

Workshops and Conferences: The institution hosts various workshops and international conferences, with active participation from our students and those from neighboring colleges.

Pharmacist Day: Annual events include health camps providing basic services like blood pressure checks and BMI assessments, along with public education for better compliance.
