AWARENESS PROGRAM ON OVER-THE-COUNTER MEDICATION

Date: 6/3/2020

From:

Program coordinator,
SS Institute of Pharmacy,
Sankari- 637301.

To:

The Principal,
SS Institute of Pharmacy,
Sankari- 637301.

Respected sir,

Subject: Request for Permission to Conduct "Awareness Program on Over-the-Counter Medication".

I would like to request your kind permission to conduct an awareness program on "**Over-The-Counter (OTC) Medication**". The objective of this program is to educate college students and residents of nearby villages on the safe and effective use of OTC medications. We aim to provide them with essential knowledge about the proper usage, potential risks, and benefits of these medications. The program is scheduled to take place on 18/3/2020, and it will include interactive sessions, demonstrations, and Q&A discussions. We are confident that this initiative will help in preventing the misuse of OTC drugs in our community.

Thanking you ,

Dear All,

Subject: Conducting Awareness Program on “**Over-the-Counter Medication**”.

This is to inform you that an awareness program on the safe use of “**Over-The-Counter (OTC) Medication**” will be organized by pharmacology under the guidance of Program Coordinator M. Vanitha. The program is scheduled for 18/3/20 and will be conducted in the college premises as well as in nearby villages.

The purpose of this event is to educate college students and village residents on the proper usage of OTC medications and to raise awareness regarding their potential risks and benefits. The event will feature expert speakers and interactive sessions aimed at providing valuable insights into the topic.

EVENT REPORT

Date: 20.03.2020

Respected Sir,

Subject: Report for “Awareness Program on Over-the-Counter Medication”.

I am pleased to report that the awareness program on “**Over-The-Counter (OTC) Medication**”, held on 18.03.2020 was successfully conducted with the active participation of both college students and residents from nearby villages. The event covered crucial topics such as the safe use of OTC drugs, understanding drug labels, and recognizing the potential side effects of inappropriate use. The program involved interactive sessions, educational demonstrations, and distribution of informational brochures. The participants expressed their satisfaction and appreciation for the knowledge shared during the program.

Beneficiaries:

- **Total College Students Participated: 28**
- **Total Village Residents Participated: 55.**

This initiative has positively impacted the community by raising awareness and promoting safer medication practices. We hope to conduct more such programs in the future to continue making a difference.

EVENT REPORT

Date: 05.02.2020

Respected Sir,

Subject: Report on Awareness Program for “Home Medication Review Services”.

I am pleased to submit the post-event report for the awareness program on “Home Medication Review Services”, which was successfully conducted on 03.02.2020. The program was held at Vadugapatti Health Care Centre and it saw enthusiastic participation from both college students and community members from the nearby villages.

The program received positive feedback from the participants, particularly community members, who expressed their gratitude for bringing awareness to this crucial topic. We believe this event has helped improve their understanding of managing medications effectively, which will have a positive impact on their health.

Beneficiaries:

- College students gained valuable knowledge that will assist them in their future healthcare practices.
- Community members from rural areas were empowered with information to manage their own and their family members' medications better.

We look forward to conducting more such initiatives in the future.

Subject: Report on “Awareness Program on Drug-Drug Interaction”.

Respected sir,

I am pleased to submit the post-event report for the awareness program on “**Drug-Drug Interaction**” conducted. The event was a resounding success, with significant participation from both college students and residents from nearby villages.

Key Highlights of the Program:

- **Date & Venue:** 12/12/2019 at SSIP Seminar Hall.
- **Number of Participants:** 15 College students.
- **Topics Covered:** Importance of drug-drug interactions, potential risks, proper medication use, and real-life case studies.
- **Speakers:** Faculty members and pharmacy students led the educational sessions.
- **Interactive Sessions:** Participants engaged in Q&A sessions, shared experiences, and discussed real-life scenarios.

Beneficiaries:

- **College Students:** Approximately 15 students attended the program and gained valuable insights into drug safety and interaction.

We would like to extend our gratitude for your support in making this program a success. The feedback received from the participants was overwhelmingly positive, and the event has sparked interest in conducting similar awareness sessions in the future.

EVENT REPORT

Date: 20.09.2019

Respected sir,

Subject: Report of “Anti-Microbial Stewardship Campaign”.

I would like to submit a report on the successful completion of the “**Anti-Microbial Stewardship Campaign**” held on 18.09.2019 at Sankari Government Hospital. The program was a great success, with active participation from college students and nearby village community.

Program Overview:

The campaign began with an opening address on the importance of antimicrobial stewardship, followed by expert talks, presentations, and interactive sessions that highlighted the following:

- The role of antimicrobials in healthcare
- Risks associated with misuse and overuse of antibiotics
- Preventive strategies to curb antimicrobial resistance

Beneficiaries:

- **College Students:** A total of 21 students from various departments participated, gaining valuable insights on the use of antibiotics.
- **Village Residents:** Approximately 55 residents from nearby villages attended the campaign, and awareness materials were distributed to enhance their understanding of antimicrobial resistance and proper hygiene.

Outcomes:

The program received positive feedback, with students and village residents. The interactive sessions also generated meaningful discussions, and the event succeeded in its aim to educate and inform the community on this pressing public health issue. We express our gratitude to the college administration for supporting in making this program a success.

CIRCULAR

DATE:23.08.2019

Dear All,

Subject: Conducting Awareness Program on “Herbal Medicine Identification and Uses”.

We are pleased to inform you that the Pharmacognosy Department will be organizing an awareness program on "Herbal Medicine Identification and Uses" on 27.08.2019 at Tiruchengode Government Hospital. This program aims to educate our students and the nearby village community about the identification and medicinal uses of various herbal plants.

The program will feature experts in the field of herbal medicine, as well as local practitioners, who will share their knowledge and experiences. This is an excellent opportunity for participants to learn about the safe and effective use of herbal medicines, bridging the gap between traditional knowledge and modern practices.

All students and faculty members are encouraged to participate actively in this event. Your involvement will not only enhance your understanding of herbal medicine but also contribute to the well-being of the local community. We look forward to your enthusiastic participation.

EVENT REPORT

Date: 31.08.2019

Respected sir,

Subject: Report on Awareness Program on “Herbal Medicine Identification and Uses”.

We are pleased to submit the post-event report on the awareness program titled “Herbal Medicine Identification and Uses”, which was successfully conducted on 27.08.2019 at Government Hospital. The event was well-received by students and village residents.

Event Highlights:

- **Participants:** A total of 21 students and 75 villagers attended the program.
- **Key Activities:** The program included interactive sessions on the herbal plant identification, medicinal use demonstrations. Local practitioners were also invited to share their traditional knowledge with the participants.

Beneficiaries:

- **Students:** The students gained valuable knowledge on herbal medicine, enhancing their understanding of alternative medicine and its relevance in modern healthcare.
- **Villagers:** The local community benefited from the awareness program by learning about the safe use of herbal remedies and the importance of preserving traditional knowledge.

Conclusion:

The event successfully completed by raising awareness about herbal medicine and. I recommend that similar programs be organized in the future to continue promoting health and well-being in our community.
