Disable Friendly Environment

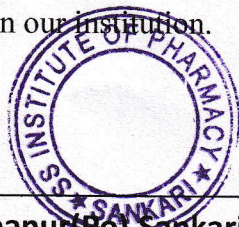

Wheel Chair Facility

Our SSIP college provides wheelchair facilities to support students with physical disabilities. To ensure accessibility, wheelchairs are made available on campus for differently-abled students. The college is committed to inclusivity and has arranged wheelchairs for students who need mobility assistance.

SSIP College takes special care of students with disabilities by offering wheelchair access throughout the campus.

For the convenience of handicapped students, wheelchairs are kept ready and easily accessible in our institution.

INTERACTIVE SMART BOARD WITH AUDIO VISUAL FACILITY

Smart boards are available in the classrooms of SSP College of Pharmacy to enhance the learning experience for students. These interactive boards help make teaching more engaging and effective by allowing multimedia presentations, videos, and digital notes. Students can better understand complex topics through visual aids and interactive content. The use of smart boards supports modern teaching methods and encourages active participation, making classroom sessions more interesting and productive.

ECO FRIENDLY ENVIRONMENT

SSIP College fosters an eco-friendly atmosphere through tree plantations, solar panels, waste segregation, energy-saving initiatives, and student-led green campaigns that inspire sustainable habits within the campus community.

By embracing rainwater harvesting, encouraging cycling, minimizing paper use, and organizing clean-up drives, SSIP College actively creates a green, sustainable, and environmentally responsible educational environment.

Our college supports eco-conscious living by promoting digital learning, maintaining green landscapes, using biodegradable materials, and engaging students in environmental clubs to spread awareness and drive positive change.

RO WATER

RO water purifiers have been installed across the campus to provide students with access to pure and safe drinking water. Our college ensures the health and well-being of students by maintaining well-functioning RO water facilities in all key areas.

Regular maintenance of RO systems is carried out to guarantee the continuous supply of clean drinking water for students.

The availability of RO water on campus reflects our commitment to student welfare and hygiene.

DIGITAL LIBRARY

The digital library facility in our college enables students to access e-books, journals, and research papers anytime, anywhere. With the digital library, our college ensures that students have the latest academic resources at their fingertips. The digital library in our college is equipped with advanced search tools, making it easier for students to find relevant study materials.

Our college's digital library service supports both on-campus and remote learning by providing digital access to academic content. The digital library facility helps students save time by offering instant access to a variety of learning resources without the need for physical copies. By using the digital library, students can improve their research skills and stay updated with the latest academic trends.

VENDING MACHINE

A sanitary napkin vending machine is an automated device that dispenses sanitary napkins or pads, providing women with convenient and discreet access to menstrual hygiene products. It also enhances,

• **Privacy and Convenience:** These machines allow women to obtain sanitary products without the need for human interaction, ensuring privacy and reducing embarrassment .

- **Accessibility:** They provide 24/7 access to menstrual hygiene products, especially in areas where such products may not be readily available .
- **Hygiene Promotion:** By offering sanitary napkins, these machines encourage the use of safe menstrual hygiene products, reducing the reliance on unhygienic alternatives

DISABLED FRIENDLY TIOLET

Our campus is committed to creating an inclusive and accessible environment for all students, staff, and visitors. As part of this commitment, we have installed disabled-friendly toilets across various buildings on campus. These facilities are designed to provide ease of use, safety, and privacy for individuals with physical disabilities or mobility challenges. Features such as grab bars, wider entrances, non-slip flooring, and emergency assistance systems are included to ensure comfort and support. By offering accessible restrooms, we aim to promote dignity, independence, and equal opportunities for everyone, reinforcing our dedication to a welcoming and supportive learning community.
